Dear Sarah Baddeley

As discussed, N4L has never engaged TCIL or any of the associated entities listed in Doug Martin's recent letter. Nor has N4L ever engaged any organisation for the provision of investigative or surveillance services.

However, as N4L is engaged in the provision of online safety and security services to schools in NZ, we are engaged with a number of vendors of online security products, both within NZ and internationally. These include, but are not limited to, vendors like Cisco, Fortigate, and Linewize.

Please get back to me if I can be of further assistance.

Regards,

Sandy Brown
