

# Learn anywhere with Apple

Friends of N4L

We asked our friends at Apple to provide some of their top tips and tricks to support learning with their eLearning tools. Here's their take, in their words - including where you can go for help.

## Top tips for teaching with Apple

- 1 Get stuck into some creative tools for learning available on [Apple Teacher](#), and [The Everyone Can Create Books](#).
- 2 [Keynote](#) is an incredible app for presentations, animations and more. With its powerful tools and dazzling effects, Keynote makes it easy to create stunning and memorable presentations. You can even use Apple Pencil on your iPad to create diagrams or illustrations that bring your slides to life. And with real-time collaboration, your team can work together, whether they're on Mac, iPad or iPhone, or using a PC.
- 3 Apple products are designed to protect your privacy and give you control over your information. Head to [apple.com/nz/privacy/](https://apple.com/nz/privacy/) to learn more.

## Top 3 support resources:

- 1 Check out some incredible teaching resources for Teaching with Apple [here](#).
- 2 To support your transition to an online learning environment, we created the [Apple Education Learning Series](#). Presented by the Apple Education Leadership and Learning teams, each video is designed to help educators use the built-in features of their Apple products to enable remote learning for all students.
- 3 Your TELA+ Mac is enrolled in **AppleCare** for Enterprise. If you have any questions about how to use your Mac, you can call the number below. You can also call for any questions about other Apple products you have in the classroom, including your students BYOD devices.
